## Create your VISION 2020 – one-day Vision Board Workshop

Saturday, January 11, 2020 at the Coworking Nike Basel from 9:30 - 18 hrs

---

Allow yourself **one day just for yourself** to focus clearly on the year 2020. What do you want to achieve? What is your focus? Where do you want to get fully involved?

A prep exercise will tune you in. You sort wishes, values, essentials to your heart. You set priorities and concrete goals. Then you invite intuition and work focused, creative, full of passion and joy.

This is how you visualize your future 2020 with a picture-text collage. You imagine again and again what it looks like and feels like when you have achieved your goals. Visible & palpable, your vision collage will be an inspiration and reminder of your vision at home all year round.
